

CALL FOR QUOTATIONS RAMADAN 2020 FOOD HAMPER SUPPLY ISLAMIC RELIEF SOUTH AFRICA FOR CAPE TOWN SOUTH AFRICA

ABOUT ISLAMIC RELIEF

Islamic Relief South Africa (IRSA) is an independently registered NGO and NPC, affiliated to Islamic Relief Worldwide (IRW), the world's largest independent Muslim humanitarian organisation, founded in the UK in 1984.

Islamic Relief's mission is to help the poor and those in need regardless of race, ethnicity, political affiliation, gender or belief to live sustainable, self-reliant lives within safe and caring communities.

We implement seasonal campaigns such as Ramadan food hamper distributions in areas where we are already implementing programmes that support orphans and other vulnerable children, women as well as families that are affected by HIV/AIDS and forced migration. The expected impact for this program is that families who would normally have little or no food will be able to enjoy wholesome nutritious meals during the month of Ramadan.

Islamic Relief South Africa is soliciting for services of a supplier/wholesaler with the capacity to preferably pack and deliver food hampers for the project. An estimated 400 food parcels are required for our Cape Town office. **Please note that quantities can be adjusted if more donations are received at a later stage of project implementation.**
